About Business

Énergie Fitness helps people with their fitness goals in a fun, supportive and creative environment. With gyms based in and around Milton Keynes, Énergie creates an empowering place for fitness with daily classes and exceptional sports facilities.

CLIENT BRIEF

With their head office based in the centre of Milton Keynes, Énergie Fitness required a qualified cleaning company that aligned with their values. With a large scale office, the team needed daily cleaning services for office space, washroom facilities and kitchen areas. The contract was initially appointed in 2018, and since then, we have also been contracted to work with franchisees of the gym.

"From the start, Tatry Group has been great to work with. Our on-site teams always ensure our site is left spotless, clean and hygienic. We have sincerely appreciated meeting with the area manager every month, it enabled us to raise any queries, such as sorting out annual leave or sickness cover. We are delighted to have found such an easy company to work with, and highly recommend them to anyone looking for office cleaning."
