## About Business

Dandara has been creating award-winning homes for more than 30 years. Unlike other home builders, Dandara is dedicated to working with local communities to ensure all homes are designed to enhance and compliment the surroundings of the area.

## CLIENT BRIEF

In March 2020 the Northern Home Counties Division purchased an office in central Milton Keynes, which undertook mass renovation. The smart, modern office needed a cleaning team to provide daily cleaning services for their office and communal spaces. After meeting for a site visit and providing a detailed proposal the contract was appointed in October 2020.

## SOLUTIONS

Tatry Group delivers high-quality office cleaning services Monday to Friday. To ensure we accommodate Dandara's internal teams, we carry out cleaning services in the evenings. Due to the hours we attend this site, our cleaning teams hold access keys allowing us to secure the property before leaving.

Our office cleaning duties include:

- Desk and Workstation Cleaning
